Reports of Officers & Committees

Chief Ryan

923 is at firematic and about \$8,000 to repair the transmission and is authorized and will be back by Tuesday at the latest. Has a notice from Elmont Fire Department for ALS standby on 6/10 and contacted Captain Walsh. When anyone goes to the academy, you are not permitted to train if you have hair on your face and will have to shave and you don't want to have to be pulled out and embarrassed and if you get hurt because of it, it won't be covered by the insurance. East Farmingdale has an updated mutual aid policy and will be posted with a map and given to the officers. This Saturday will be a standby for East Farmingdale. Defensive driving class will be offered in June with Tony DiPrima and to give a headcount and family pays to be in class as well. Grave detail will be Saturday at 7:00am. Regarding the vest policy, you will be released from the call scene if you are not wearing it and can walk back on own. 926 had a small accident while responding back from call and the investigation committee met. The chauffeur didn't realize no one was backing him up and must always make sure someone is there and left the scene before the cops showed up. If any chauffeur hits something, you cannot leave and important to always have a backup. 926 will not be responding to brush fires.

Chief Tortoso

Be in Class A Uniform for Memorial Day Parade

Chief DiBartolo

East Farmingdale requested bikes for the air show and let the officers know

Captain Michael Tortoso

Memorial day clean up will be next Wednesday and Friday and be in class A for parade. 926 had minor accident and will be fixed

Captain Walter Buser

Thanked everyone for supporting the Spring Fling and working on completing information for 2 new members. Standby in North Massapequa is set and ready to go and memorial day clean up on Wednesday and Friday as well.
